**BVL was started by Bowlers Who Promised **Not to Forget** Those Who  
Have Served and Those Who Continue to Serve Our Nation!**

The McCook Area United States Bowling Congress (USBC) Women's Bowling Association (WBA) is implementing a new way to distribute the BVL funds that are voluntarily collected throughout a bowling season.

BVL stands for "Bowlers to Veterans Link". It was started in 1942 during WWII by concerned bowlers who wanted to help our wounded soldiers in the war zones in Europe. There was enough money raised to buy planes, hire pilots and to hire medical personnel to fly over to Europe and take care of our soldiers.

This program is to help ALL veterans, not just bowlers who are veterans in our bowling association which includes Carroll, Columbiana, Jefferson, and Harrison counties.

Without our Veterans, where would we be now? "Thank You" for caring so much for caring for us.
